

Application No.: 10/688,786
Reply to Office action of January 24, 2006

Remarks/Arguments

The claims have been amended to include the subject matter of allowable Claim 3 and to correct the typographical error noted by the Examiner in the objection to Claim 1. In view of the amendments to the claims, all rejections appear to be overcome and the claims allowable. Further, the method claims (Claims 36-40) have been amended to include all the limitations of the product claims (Claim 1) and rejoinder is requested.

Allowance of the application is respectfully requested.

If the Examiner feels that a telephone conference would expedite prosecution of this case, the Examiner is invited to call the undersigned at (978) 251-3509.

Respectfully submitted,
